# The Little Lights

## Chapter 1 by xCringe

All my life

I have been in a dark cave

I always thought it was just me

Who only went through this cave

At one point

I have lost hope

Hope of getting out

All my life

I have been trapped

Trapped in loneliness

And I lost hope

Hope of finding others

Until I saw something

A light

A small light

I enjoy it

But all I would find  
Were the same  
Same as the last  
Then  
One day  
I saw another one  
But I knew what to expect  
And it didn't do  
What the others did  
And soon  
I saw more and more  
Some left as soon as they came  
But most stayed  
They give me hope each day  
And hope in every step I take  
I still find these little lights  
From time to time  
And they always do  
What they promise  
To give me hope, light and love  
Through this dark cave

The End
